THE POP-UP HOTEL BESPOKE PACKAGE

"Where luxury meets vitality."

Indulge in the ultimate wellness upgrade with our most exclusive offering the **Bespoke IV Package** at The Pop-Up Hotel. Curated for discerning travellers who demand both rejuvenation and convenience, this premium service brings cutting-edge wellness directly to your room or in our on-site clinic, the choice is yours.

Whether you're looking to **bounce back fast from the night before**, **energize for the main stage**, or simply **glow from the inside out**, we've got you covered. Choose from our full range of IV therapies including the powerful NAD+ 4U infusion all administered at your convenience.

Once your package is booked, a dedicated member of our team will personally reach out to **coordinate your treatments**, ensuring a seamless and fully tailored experience whether you prefer the comfort of your suite or the vibe of our wellness clinic on-site.

Benefits include

- Rapid hangover recovery
- Boosted energy and mental clarity
- Enhanced detoxification
- Radiant skin and improved hydration.

Each session is personalised to your needs. Wellness, elevated — exactly when and where you need it. T&Cs apply.

Pop-up Hotel price: **£1195**
